

# 2026 MEMBER / GUEST

CHAMPIONSHIP

OFFICIAL RULES SHEET

## TOURNAMENT FORMAT

Two-person teams will compete over forty-five holes of match play. Flights are determined by the combined handicap index of each team. Each flight consists of six teams, and every team plays five 9-hole matches — one match against each team in their respective flight. All matches must play all nine holes, regardless of how the match stands.

## SCORING

### POINT DISTRIBUTION — 7 POINTS AVAILABLE PER MATCH

#### **+1 POINT**

Winning a Hole

#### **+½ POINT**

Halving a Hole

#### **0 POINTS**

Losing a Hole

Teams playing against drop-outs or incomplete flights will play a match against par. Teams arriving late or not showing for a match will lose one point for each hole missed. A hole is considered missed if opponents have teed off with the Golf Shop's permission.

## RULES & POLICIES

### HANDICAPS

Each player receives 100% of handicap. Players use their shots where they fall on the scorecard. Maximum 10-stroke differential.

### FLIGHT WINNERS

In case of a tie for flight winners, there will be a closest-to-pin competition.

### SHOOT-OUT

Upon completion of the 5th set of 9-hole matches, the team with the most total points in each flight wins their respective flight. A shoot-out involving all flight winners plus one wild card (the team with the highest combined point total that did not win their flight) determines the overall champion.

### PRIZES

1st and 2nd place awarded in each flight, plus a prize for the overall champion.

### TEES

Players may play from the tees where their handicap is established.

### RULES OF GOLF

Play is governed by the USGA Rules of Golf, with local rules in effect.

### PACE OF PLAY

For the enjoyment of all participants, please maintain your position on the golf course at all times.

**GOOD LUCK TO ALL COMPETITORS — PLAY WELL!**
